

Golf Club Program

Sticks for Kids

The National Recreation and Park Association in partnership with the Golf Builders Association of America selected **Upper Macungie Township** to participate in the Sticks for Kids Program. Sets of junior golf clubs 6 to 11 plus ages are available free of charge to introduce the fundamentals of golf through chipping, putting, club stance, grip, etiquette, and basic rules of the game. The program is centered on the philosophy that every child, regardless of socioeconomic status, should have the opportunity to play golf.
