

## FENCE

### A ZONING PERMIT

#### TO COMPLETE THE FENCE APPLICATION:

#### FILL IN THE FIRST SIX LINES OF THE APPLICATION FORM:

##### IN THE CONSTRUCTION BLOCK,

Complete cost of construction, start and completion date. List the contractor his address and phone number. Homeowners may install or replace a fence themselves with a permit.

If your house was built after 1995, there is a **foundation location** on file with the building permit and this document should be used for the site plan.

A fence may not be placed in any active easement.

Include the type of fence, height, structure (vinyl, wood, etc.) and manufacturer's specification sheet.

Contractors must supply the Township with a Certificate of Insurance showing Workers' Compensation insurance and list the Township as a certificate holder.

#### DATE AND SIGNATURE OF THE PROPERTY OWNER.

#### TWO COPIES OF ALL DOCUMENTS AND / OR DRAWINGS.
