PROCEDURES FOR SEWER HOOKUP IN UPPER MACUNGIE TOWNSHIP

- 1) Apply for wastewater treatment allocation to Lehigh County Authority, the allocation forms are available in the Township Sewer Office. For 1 EDU, or 223 gallons per day, the charges are:
 - a. \$2,316.97 payable to Lehigh County Authority (Fees are updated each July)
 - b. \$104.72 payable to Upper Macungie Township

NOTE: Allocations are approved on the 1st and 15th of every month, *Please provide separate checks for each fee, one payable to Lehigh County Authority and the second payable to Upper Macungie Township.*

- 2) Apply for a sewer permit, you must provide the Township with the name of the plumber who will connect the sewer; the plumber must be licensed in Upper Macungie Township. For each connection to the main line the charges are:
 - a. \$1,100.00 Tapping Fee
 - b. \$50.00 Inspection Fee – Residential
 - c. \$50.00 Inspection Fee – Dual
 - d. \$100.00 Inspection Fee – Industrial

NOTE: *Please provide a separate check for your tapping and inspection fees – do not combine with your treatment allocation application check*

- 3) Pump Station Fees are dependent upon the location of your project and are incurred when the location requires a pump station to carry away the sewer discharge due to a lack of elevation for gravity discharge. Please contact the Township Sewer Department or Keystone Consulting Engineers to determine if your project requires a pump station fee. The current fee is \$856.00 per EDU.
