

Independent Golf Course Rules:

This public course is in a trial period. The course has not been constructed to the quality that can be found at many local golf facilities. The intent is to provide a practice area which can be used instead of other Township soccer fields and baseball fields where this use is prohibited. It is also a course where parents can introduce the game and rules of golf and a place where seniors can enjoy this short course. We are optimistic that the public will enjoy this course and obey these rules. If this proves to be the case additional improvements will be made. Any donations made show your support.

Thank you.

Upper Macungie Township
Board of Supervisors

1. Each player is personally responsible for their actions
2. The holes must be played in order from 1 to 9 – no ball hitting across holes or anywhere else on this facility is allowed. Local driving ranges such as Sittlers and Allentown Municipal are available
3. Clubs should be selected for the players ability to hit no more than 100 yards and longer clubs left behind. Experienced players will only need a pitching wedge and a putter.
4. Do not tee off until the players ahead have left the green.
5. If an errant shot is hit toward players yell FORE!
6. This course is provided for education and follows USGA golf rules
7. Be courteous and patient with golfers ahead of you. This is a learning facility for young players and player first learning the game.
8. Replace divots made in the fairways
9. Enjoy the game of golf, the exercise it provides and the view of this course!
10. Your cooperation is greatly appreciated. Please report any misuse or vandalism.
