Dear Dog Owner,

Thank you for visiting Upper Macungie Township’s dog park. The first phase of the dog park is complete and available for use. The final phase of the dog park has been planned and will include an additional fenced in area for larger dogs. The cost for the final phase is estimated to be \$10,000. The funding for the final phase is being raised by the “Friends of Upper Macungie Township”, a 501.3c non-profit organization operating for the betterment of Upper Macungie. Once the final phase is completed, Upper Macungie’s dog park will include separate areas for both large and small dogs, a double gated entry area, as well as a water station.

Please consider helping to contribute to the completion of the dog park. Instructions on how to donate are in the cutout below. Any donations are greatly appreciated! With your help, Upper Macungie Township will soon have a larger dog park where all dogs and owners can safely go and play.

Thank you very much for your support. We hope you enjoy the park!
