The plumbers list is not all inclusive. The property owner can choose any plumber licensed in Upper Macungie Township, but recommend asking for estimates prior to contracting any of them due to a wide range of prices. They must have a video camera to do the inspection properly.

Please pay special attention to Ordinance No. 2008-3 Section 5 Inspection required upon Transfer of Properties (A). This applies to all pre-occupied properties. New construction, never occupied properties are exempt.

When inspection is completed, please send a copy of the report/invoice to Upper Macungie Township for our records.
