Breinigsville PA 18031

Re: Road Closure – Twin Ponds Road

To Whom it May Concern:

Grace Industries will be continuing to work on the roadway improvements of Twin Ponds Road. As part of this work, we will be closing Twin Ponds Road between Schantz Road and Long Lane between the tentative dates of October 12, 2020 and December 12, 2020.

Local access for Residents, Mail Service, Garbage Collection and Emergency Services will be available via the intersection of Twin Ponds Road and Long Lane only. No through traffic will be permitted through the intersection of Schantz Road and Twin Ponds Road. Attached is a copy of the detour route for your convenience.

Please contact Project Manager Todd Burdette 610-837-4100 with any questions you may have.

Sincerely,

GRACE INDUSTRIES
