

2015 Upper Macungie Township 5K Run and 1 Mile Walk for Parks *Donation of Goods and/or Services*

Make a donation to the 5K Run & 1 Mile Walk for Parks in Upper Macungie Township on **Sunday, October 25, 2015!** "Friends of Upper Macungie Township Parks and Recreation, Inc.," a 501(c)(3) organization, supports this event. Donations are tax deductible to the fullest extent of the law and offer fantastic business development and marketing opportunities for your company. Over 300 participants, families and friends are expected.

All proceeds from the event benefit park and recreation efforts in the Township, specifically two projects at Grange Road Park: the highly anticipated splash park and a memorial walkway. For more information about the Upper Macungie Township park system, please visit uppermac.org/parks.

Your donation will be assessed a dollar value which could give you the benefits of a correlating sponsorship level. Please see the accompanying Sponsorship Opportunities document for details. However, any donation would be appreciated and would make our fundraising for the parks even more successful!

Donation of Goods: You may wish to donate the types of goods listed below. These items are perfect for the "goodie" bags given to each participant, as refreshments for our participants, as prizes for the top finishers, or as raffle prizes.

- | | |
|--|------------------------------|
