Important Note on Sector Boundary Pickups:

If your property is located on the boundary line of any collection sector, your pick-up day is the same as the large sector on your side of that street. For example: If your property is West of Rt. 100 and on the North side of Schantz Road, your pick-up day is Tuesday (light blue sector). If you are West of Rt. 100 and on the South side of Schantz Road, your pick-up day is Friday (light purple sector).

FOR MISSED PICKUPS CALL WASTE MANAGEMENT OF PA, INC: 800-869-5566

When calling, please identify yourself as an Upper Macungie Township resident.
